Preston

Residential Care

Preston is a 7-bed residential home in Fulwood, supporting adults with learning disabilities, autism, mental health needs and other complex support needs, including people who may need support with communication, mobility or emotional wellbeing.

Set across two floors, the home has two ground-floor bedrooms and five upstairs, with every room benefiting from its own en-suite wet room. Shared spaces include a spacious main lounge, a quieter second lounge, a large communal kitchen, modern laundry facilities, a downstairs wet room and a secure wraparound garden with seating and a BBQ area.

There is a relaxed, family feel here, with plenty of space to spend time together or enjoy quieter moments.

Our Strive model of support helps shape everyday life around each person's goals, choices and interests, with colleagues supporting people to build confidence, develop skills, stay connected to their community and enjoy meaningful experiences at their own pace.

Person Specification

Preston could be a great fit for someone who enjoys a mix of company and quieter time, likes getting out into the community and wants to keep building their independence. Current available bedrooms are upstairs, so anyone moving in would need to be able to safely manage stairs.

Your journey to ivolve

Step 1.

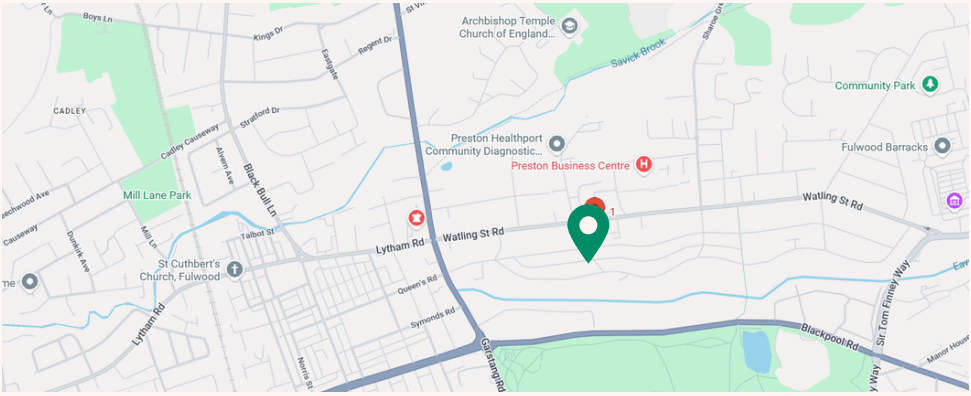
Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.



Preston is in Fulwood, a pleasant residential area with easy access to Preston city centre. Local shops, parks and regular public transport links are all nearby, making it easy to stay connected with the wider community. The home also has its own vehicle, helping people access appointments, activities and days out further afield.
