

# Enright Lodge

## Supported Living

### Person Specification

- Someone looking to improve independence and confidence in a safe environment
- Those looking for new friends
- Someone friendly and sociable
- The property is perfect for young adults but all ages and genders are welcome

Within the peaceful grounds of Enright View, our residential home, Enright Lodge is a supported living home where people can feel safe, supported, and empowered to live life their way.

Here, we support adults with autism, learning disabilities, mental health needs, and associated diagnoses, to build a life that feels meaningful to them.

There's four bright, ensuite bedrooms, a spacious open-plan living / dining area, and a kitchen in a shared environment designed for communal connection.

Additionally, there's three self-contained flats - each with a lounge, kitchen, bedroom, and bathroom - offering a more independent living option, with support close at hand.

The garden is a peaceful spot to relax or catch up with friends and family, and the property is fully wheelchair accessible, so everyone can feel at home here.

At Enright Lodge, it's not just about where you live - it's about how you live. Whatever the individual goals, we walk alongside them every step of the way.

# Your journey to involve

## Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

## Step 2.

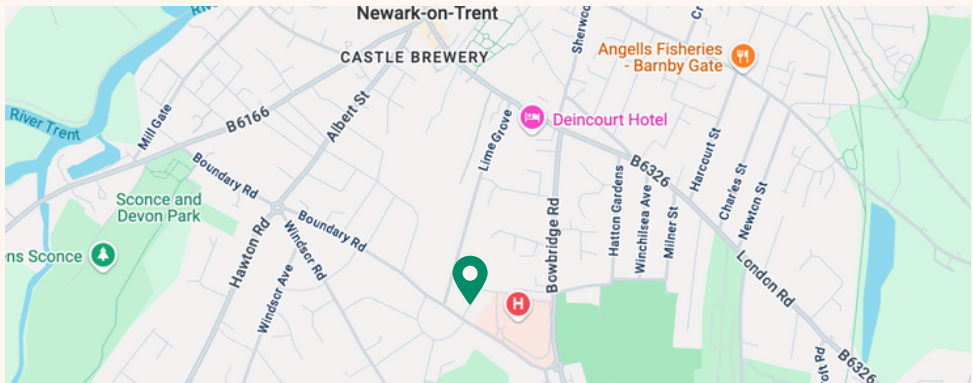

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

## Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Enright Lodge is within walking distance of shops, an ice cream parlour and even a castle. There are regular train and bus services into Lincoln and Nottingham. Sconce Park is lovely for walks, plus there's a café and outside gym. The Newark Showground is also not far and hosts many great events throughout the year.
