

Hazel Road Supported Living

Hazel Road is a warm and welcoming supported living service in the friendly market town of Loughborough, Leicestershire. It's a place where young adults with learning disabilities, autism, ADHD, or mental health needs can build independence, develop life skills, and feel truly at home.

The property is spacious and modern, offering shared living for four people in the main bungalow and a self-contained annex on-site. The main home features a communal lounge, kitchen, bathroom, and three ensuite bedrooms, as well as a bright conservatory overlooking the garden. There's plenty of space to socialise or relax - from enjoying a cuppa in the conservatory to spending time in the private gardens.

Person Specification

We'd love to welcome someone who is kind, caring and enjoys being part of a friendly, shared home. Someone who values routine, connection, and taking small steps towards independence at their own pace.

Our experienced, well-established team provides person-centred, 1:1 support based on each individual's goals and preferences, underpinned by our Strive model of support. We help people flourish through connection, choice and community - from volunteering and college courses to local activities.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange an initial meeting with you to see if the home is a good match for you.

Step 2.

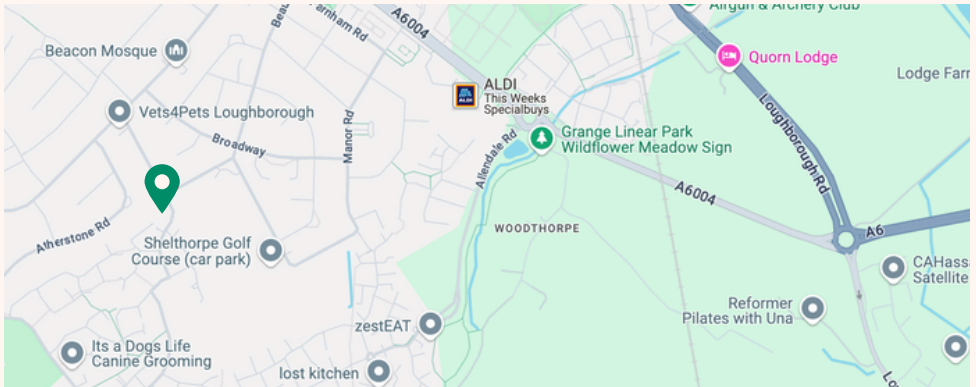

If all involved feel the move should take place, you will be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we will then plan your move into the home (at a speed to suit you as much as possible).

You'll find Hazel Road just two miles from Loughborough's lively town centre, with easy bus routes into town. There's so much to explore, from cafés and restaurants to Queens Park, the Town Hall Theatre, colleges, and community groups. It's perfectly placed for those that like to be busy and active!

51 Hazel Road, Loughborough, Leicester, LE11 2JQ

About Our Organisation

We're here to support people to flourish in a place they call home. At involve, our approach is all about activities and co-production with the people we support. We work with them to design and plan what we do – so we can create the best experiences and support people to set and reach their goals.
