

Loundsley Supported Living

Loundsley House is a bright supported living home in Chesterfield, supporting up to six adults with learning disabilities, autism, and mental health needs.

Purpose-built for independence, it has five en-suite bedrooms and shared spaces such as a communal lounge and garden, which offer opportunities to socialise. There's also a self-contained flat for someone ready for more independence. Every corner has been designed with comfort, safety, and belonging in mind.

Inside, there's a real sense of belonging - people are kind, supportive, and enjoy time together. Our experienced team support each person to grow their confidence and access their community.

From developing daily living skills to planning holidays and enjoying seasonal parties, life here is full of creativity, laughter, and growth.

At Loundsley, support is shaped by the ivolve Strive model - helping people feel safe, connected, and empowered to live a full and flourishing life.

Person Specification

We'd love to welcome a kind, sociable person who wants to develop their independent living skills. The ideal person will enjoy being part of a friendly home, spending time in the garden, and getting involved in the community.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

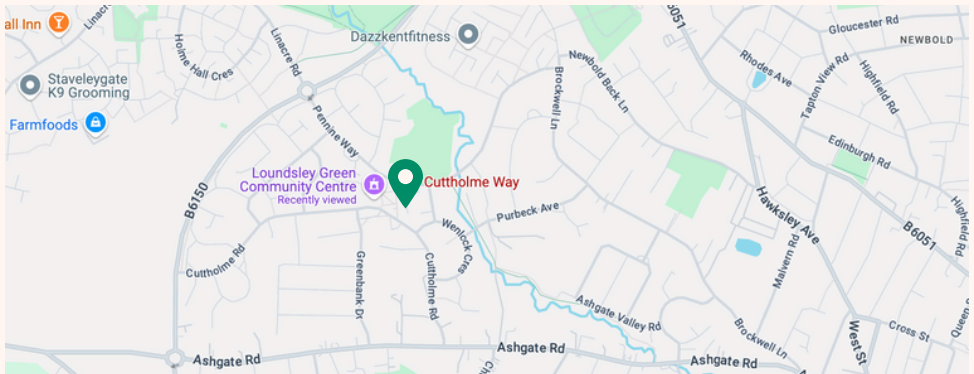

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Loundsley House is perfectly placed for both calm and connection. The home overlooks a peaceful park and is a short walk from local shops and cafés. With regular bus routes across the road, it's easy to reach Chesterfield's lively town centre - home to the famous Crooked Spire. Surrounded by beautiful Derbyshire countryside, it's ideal for getting outdoors and enjoying day trips.
