

Kedleston Road Supported Living

Kedleston Road in Derby has been completely reimagined to create four self-contained flats for adults with learning disabilities and complex needs. Each flat has its own bedroom with ensuite, a modern kitchen, and a bright living and dining area - giving people the security of their own space while supporting independence.

The home has been thoughtfully designed with safety in mind, including separate kitchens and mains that can be isolated if needed. There's shared outdoor space at the back, a communal WC for visitors, and parking at the front. While not fully wheelchair accessible, the ground floor flats are spacious and ramp-accessible for people with some mobility needs.

Our local team are highly trained and passionate about what they do. Using the Strive model of support, they'll help people build skills, grow in confidence and feel connected to their community.

Kedleston Road is a place where people can live well, on their own terms, with the right support around them.

Person Specification

We'd love to welcome individuals who want to take the next step towards independence, with support to learn new skills and enjoy a fulfilling life.

With great amenities nearby, it's perfect for those that love getting out and about to explore their local community!

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

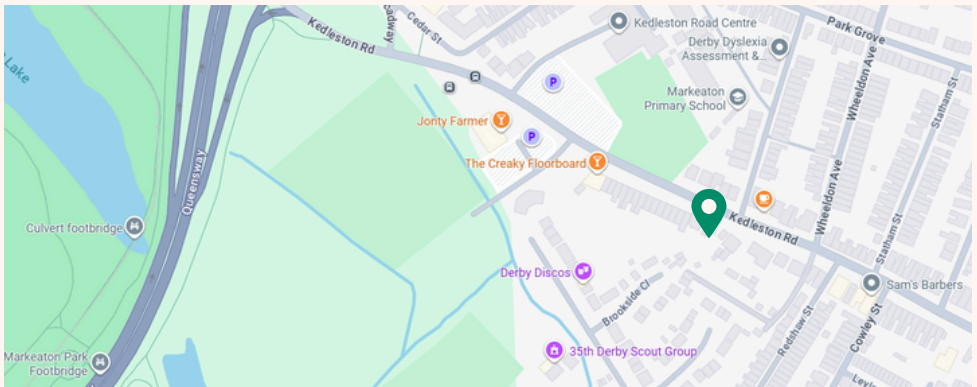

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Kedleston Road is close to Derby city centre, with local shops, cafés and green spaces nearby. The area is well-connected by road and public transport, making it easy to explore and stay connected with friends and family. In a lively student area, it's great for those looking to make new friends and engage with the local community.
