

Lady Edith's Supported Living

Lady Edith's is a warm and inviting supported living home in the lovely seaside town of Scarborough, designed for up to four adults with learning disabilities, autism, and other complex needs. Recently renovated, it offers a bright, modern space with everything needed to feel at home.

Each person has their own ensuite bedroom, while two communal lounges, a spacious kitchen-diner, and a utility room provide plenty of shared spaces for cooking together, relaxing, or catching up over a cuppa. The large gardens are perfect for enjoying sunny days or gentle strolls outside.

Our experienced team takes a person-centred approach to care, using our Strive model of support to help each person set goals, grow in confidence, and build meaningful connections.

Every day is shaped by the people who live here, with support that's consistent, caring, and full of energy. At Lady Edith's, life is about friendship, independence, and making the most of each day.

Person Specification

We'd love to welcome kind and sociable individuals who enjoy being part of a friendly, inclusive home. It's ideal for someone who values companionship, shared experiences, and seaside living.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

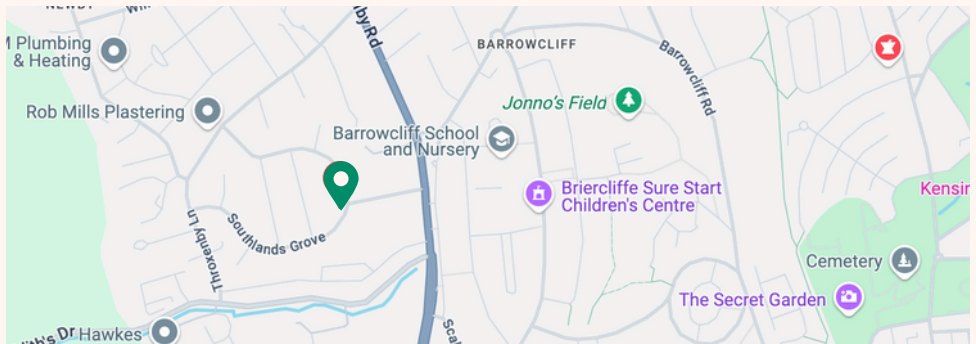

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Lady Edith's sits in the beautiful seaside town of Scarborough, just five minutes from the North Bay and Peasholm Park. The local area offers sandy beaches, colourful beach chalets, cafés, and the famous open-air theatre - the perfect place to enjoy everything this vibrant coastal community has to offer.
