

Beeston Supported Living

Beeston is a welcoming supported living home for adults with learning disabilities, autism and complex needs. The home has eight self-contained flats, each offering the privacy and independence of having your own space, with the reassurance of the right support close by.

Every flat includes a living area, kitchen, bathroom, and bedroom, creating a comfortable base for everyday life. While there's no shared indoor communal area, the large garden at the rear plays a big role in bringing people together - hosting fun days, seasonal celebrations, and relaxed social time during warmer months.

Support is personalised, focusing on building confidence, wellbeing, and everyday living skills. This includes support with cooking, budgeting, managing appointments, maintaining a tenancy, and accessing the local community.

Guided by our Strive model, support is designed around clear goals, capable environments, and meaningful routines - helping people move towards greater independence, at their own pace.

Person Specification

Beeston would suit someone who values their own space but enjoys shared activities, garden events, and community outings. It's perfect for those that want to grow in confidence and develop their independent living skills.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

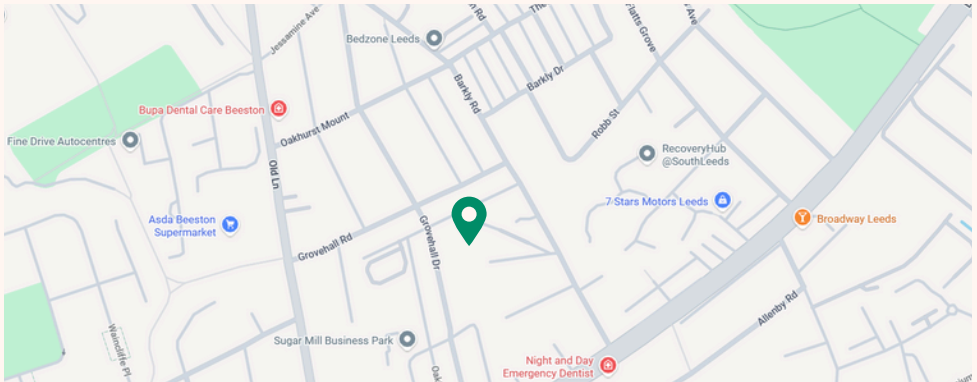

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Located on Green Lane in Beeston, the home benefits from excellent transport links, with regular bus routes into Leeds city centre and easy access to local cafés, parks, and amenities. The M62 and M1 are also close by, supporting strong community connections and active, independent lifestyles.

13 Green Lane, Beeston, Leeds, LS11 7EZ
