Supported Living

68 Woodhurst Avenue is a warm and welcoming supported living home for two people designed to provide exceptional care for learning disabilities, autism, mental health and complex care needs

Nestled in the peaceful community of Watford, this home offers a space where every person can find independence, and is supported to reach their potential.

Each person enjoys their own spacious bedroom, with access to a communal bathroom, kitchen, and dining area, creating a relaxed, shared living experience. The large garden is a highlight, offering plenty of space for socialising and enjoying the outdoors.

Care here is personalised for each individual. With expertise in PBS and guided by our Strive model, we work closely to support the journey towards greater independence and confidence.

Our team creates an environment where people are encouraged to create meaningful experiences, make connections, and live the life they choose.

Your journey to ivolve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.
