Ashfield Place

Supported Living

Ashfield Place is a welcoming supported living home with eight self-contained bungalows, each designed to offer privacy, comfort and a real sense of independence for adults with supports adults with learning disabilities and mental health needs.

Each bungalow includes an open-plan kitchen and living space, a private bedroom and a walk-in shower, giving everyone their own front door and personal space.

There are also small shared gardens at the front and back - ideal for relaxing outdoors, chatting with neighbours or enjoying a quiet moment in the fresh air.

Ashfield Place provides support shaped around our Strive model of care, focusing on capable environments, positive relationships and meaningful daily routines.

Our approach is flexible and responsive, blending shared support with 1:1 hours day and night, so life here feels balanced, empowering and truly person-led.

Your journey to ivolve

Step 1.

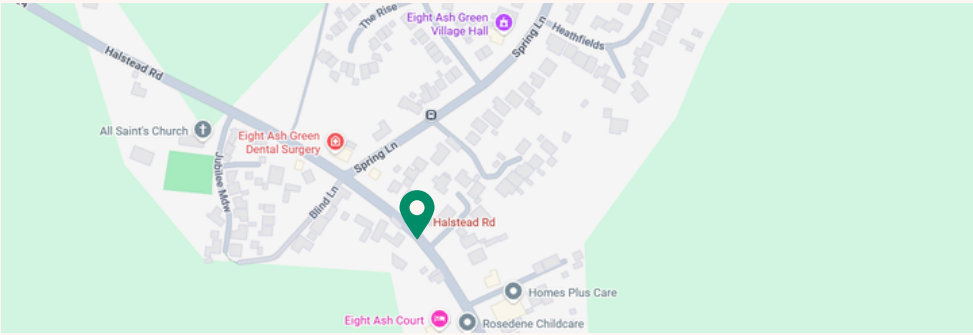
Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.



Ashfield Place is located on Halstead Road in Eight Ash Green, a short distance from Tollgate Shopping Centre, with shops, amenities and transport links close by. The area offers a relaxed village feel while staying well connected to nearby towns, making it easy to stay active, social and part of the wider community.
