

Wickleys Supported Living

Wickleys is a supported living home for young men with learning disabilities, autism, epilepsy and ADHD, including those with complex or dual diagnoses. Tucked away in the peaceful village of Charlwood, Wickleys offers a calm, settled setting where people can feel safe, supported and truly at home.

Our home has five bedrooms and an annex, perfect for those looking for their own space, with a thoughtful layout that balances privacy with shared living. Four bedrooms are upstairs, one is downstairs, and most rooms have their own ensuite bathroom.

There are two communal lounges, an open-plan kitchen and dining space for shared meals and connection, and a large private garden for relaxing or enjoying time outdoors.

Wickleys is shaped by our Strive model of support, focused on independence, active support and meaningful routines. Days are built around individual interests and goals, helping people grow in confidence, stay active and live full, connected lives.

Person Specification

Wickleys would suit a male who enjoys being active, socialising at home and getting out into the community. Ideal for those that want a friendly, shared living space with others of a similar age.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

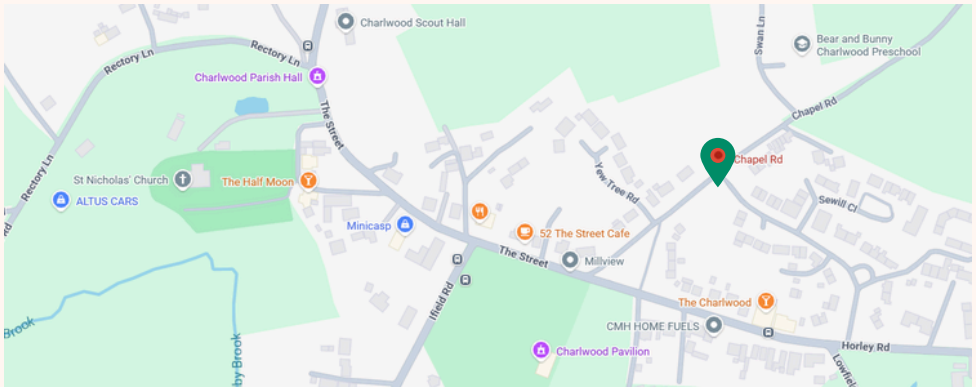

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Wickleys is on Chapel Road in Charwood, a quiet and welcoming village with a strong community feel. It provides a peaceful base with access to local amenities and activities nearby. The area offers opportunities for community engagement, day trips and everyday independence, while still feeling calm and settled.

Wickleys, Chapel Road, Horley, Surrey RH6 ODA
