Nestled in a peaceful neighbourhood, Carrington Park is a vibrant, 8-bedroom home designed for adults with learning disabilities and complex needs.

Each bedroom features its own ensuite and can be personalised to reflect individual tastes and style. The home also offers plenty of room to relax and gather, with a spacious communal lounge, dining area, and a large, welcoming kitchen where shared meals bring everyone together. Outside, the generous garden is a favourite spot for those we support.

At Carrington Park, we believe in supporting people to live their best life with confidence and independence. Guided by our Strive model, our skilled and compassionate team encourage new skills while supporting people to enjoy hobbies, build friendships, and make meaningful social connections.

Our experienced team bring deep local knowledge and a genuine passion for providing personalised 24-hour support.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

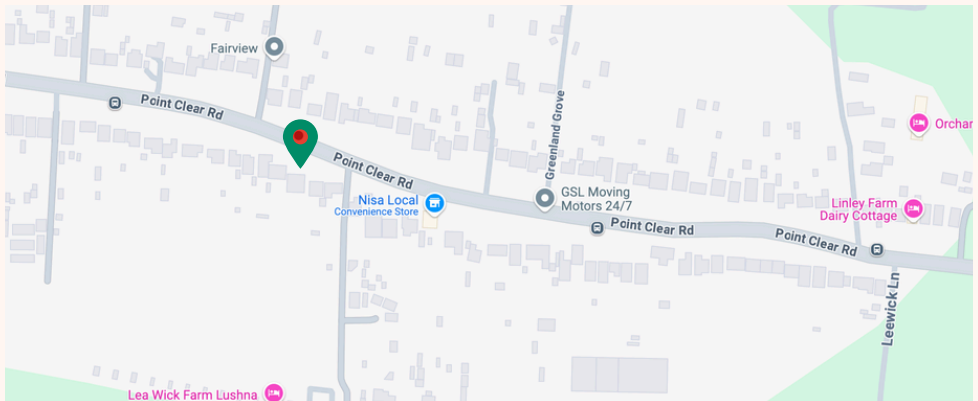

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Just a short trip from Nottingham City Centre, Carrington Park has great transport links with frequent bus services nearby. Nottingham is packed with entertainment - from cinemas and bowling to concerts, restaurants, and High Street shops - offering plenty of ways to enjoy city life right on your doorstep.
