

Oakview Lodge

Supported Living

Person Specification

- Tailored support for those of varying ages with learning disabilities or autism.
- Ideal for males or females seeking to develop greater independence and engage with the local community.
- Can support those with mobility challenges, offering an accessible and supportive living environment.

Nestled in the heart of Braintree, Oakview Lodge is a supported living home for independence alongside reassurance.

Here, adults with learning disabilities, autism and mental health needs can shape their own lives, at their own pace.

Spread across three floors, the property offers 14 self-contained apartments. Each floor has been designed with care: the ground-floor flats have level-access wet rooms, the first floor features bathrooms, and the top floor includes shower rooms.

The ground floor is fully wheelchair accessible, and there is a lift to support a wide range of mobility needs.

Oakview Lodge also has a communal lounge on the ground floor and a shared kitchenette for community connection. There's also a dedicated office space and overnight support available, so help is always close by if it's needed.

Outside, the garden is a peaceful haven, for spending time with others. And with plenty of parking too, friends and family are always welcome.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

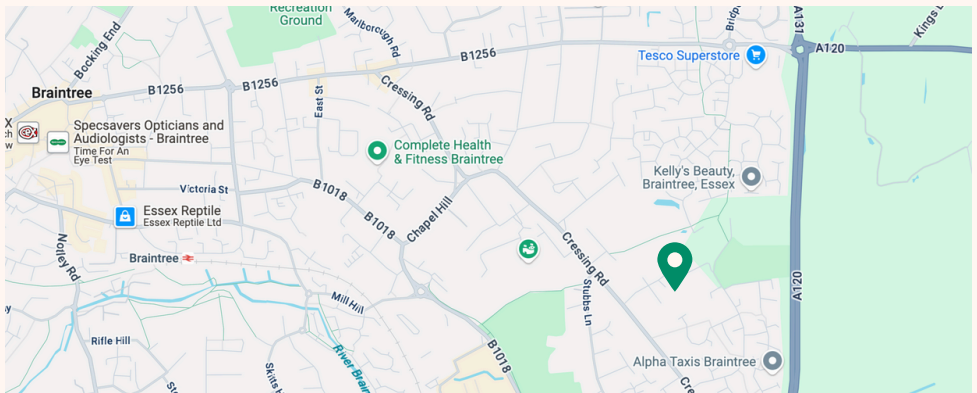

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Oakview Lodge is close to Braintree Freeport train station, offering direct links to London, and is minutes from the A120 for quick travel access. Nearby, there's leisure and shopping facilities at Braintree Village, scenic walks at Great Notley Country Park, and local attractions such as the Braintree District Museum.
