

Point Clear Residential

Person Specification

We'd love to welcome someone who enjoys shared living, gentle routines and being part of a calm, supportive home. It's ideal for someone who values time in the garden, community outings and sensory spaces, surrounded by others in a calm and considered environment.

Point Clear is a welcoming residential care home supporting up to 5 adults. Set just moments from the Essex coastline, this wheelchair-accessible home offers 24-hour, personalised support for people with learning disabilities, autism, mental health needs, mobility issues and those that require complex behaviour support.

The house is thoughtfully laid out, with two ensuite bedrooms on the ground floor and three ensuite rooms upstairs. Shared spaces include a bright communal kitchen, a spacious living and dining area, a dedicated sensory room, and a large rear garden that invites relaxation, fresh air and time together.

Life at Point Clear is shaped through our Strive model of support, creating capable environments, providing active care and empowering people to build confidence, independence and meaningful routines - always at their own pace.

With a consistent, values-led team, the home offers stability, reassurance and a strong sense of belonging.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

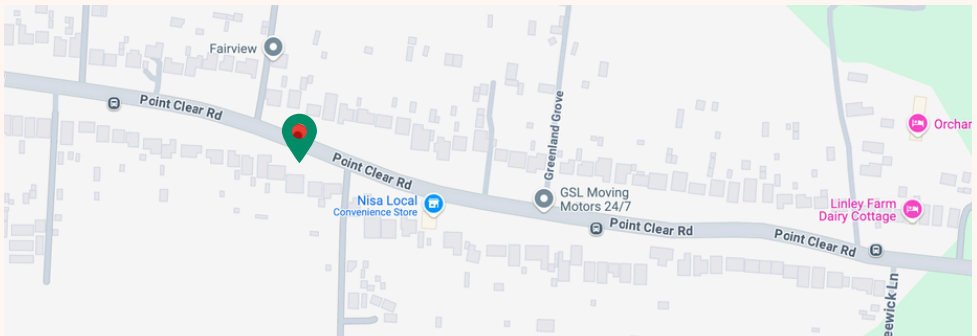

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Point Clear is located in St Osyth, between Clacton-on-Sea and Colchester. Local shops, parks and the beach are within easy reach, offering opportunities for coastal walks, cafés, swimming and relaxed days out by the sea. The people we support enjoy local community to discos, the beach, country walks and home activities such as darts, foot spas, swimming in the pool and baking!
