

Poplars Residential

Person Specification

We'd love to welcome someone who enjoys an active, social home and is comfortable sharing space with others who have varied interests and routines. Compatibility is important, and we look for people who value mutual respect, shared laughter and a calm, friendly atmosphere.

Poplars is a warm and welcoming six-bedroom residential home set in a quiet area of Horley, Surrey. It's a detached house designed to feel settled, relaxed and genuinely homely, supporting young adults with learning disabilities and other complex needs.

Inside, there's a shared lounge where people come together to relax, watch TV or enjoy music, alongside comfortable bedrooms, three with en-suite bathrooms. Outside, the large, secure garden is a real highlight - complete with a swing, flower patch, shed and plenty of space to sit, chat and enjoy fresh air.

Life at Poplars is shaped around individual routines and interests. Days might include baking, shopping trips, volunteering, fitness sessions or pub nights with friends.

Support here is guided by our Strive model of care, focused on capability, choice and meaningful outcomes - from building independence to staying connected to the local community.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

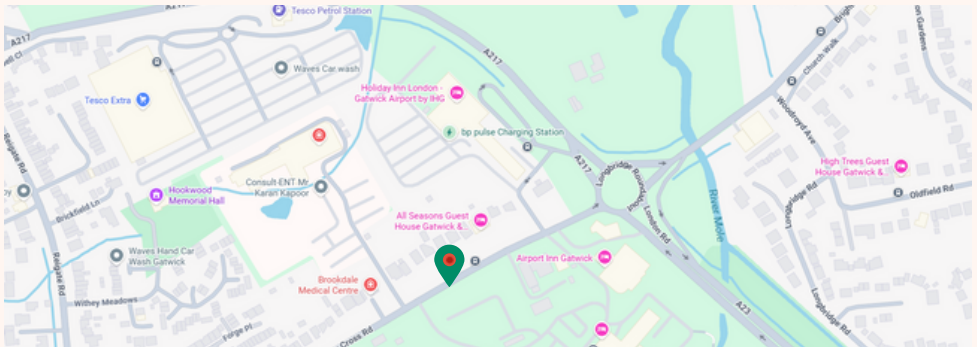

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Poplars is within a 15-minute walk of Horley town centre, with supermarkets, cafés and local shops close by. There's a bus stop right outside with quick links to Gatwick, Crawley and Redhill, making it easy to stay connected and explore further afield. With two leisure centres nearby and great transport links on the doorstep, it's an ideal base for staying active, social and well connected to the wider community.
