# Welcome to Hitchin Road

Peaceful and thoughtfully set up, Hitchin Road offers bungalow-style supported living in Arlesey for adults ready for more independence, with calm spaces and personalised support shaped around them. ☆

At Hitchin Road, everyday life is designed to feel calm, settled and personal. The home is made up of four bungalows, each with two en-suite bedrooms, a shared lounge, kitchen, conservatory, garden and laundry room. This gives people the reassurance of their own space, alongside welcoming shared areas where routines, confidence and friendships can gently grow.

The home currently supports adults with mental health needs, autism and acquired brain injury, with 1:1 packages

available alongside lower levels of support where appropriate. Colleagues bring specialist training in ligature awareness, epilepsy, Positive Behaviour Support and de-escalation, helping people feel understood.

Support is shaped through our Strive model of care, with access to in-house PBS input and a multidisciplinary team approach. Together, we focus on safety, stability, independence and meaningful everyday progress at a pace that feels right for each person.
