

Lutterworth Residential

Person Specification

We'd love to welcome someone kind and sociable who enjoys being part of a shared home.

It's perfect for those that like getting involved in group activities, and making the most of day trips, community outings, and time spent together – whether that's bowling, shopping, long walks, or relaxing with movie nights and celebrations.

Lutterworth is a welcoming eight-bed residential home for adults with learning disabilities, autism, ADHD, mental health needs and behaviours of concern.

Located in Aylestone, Leicester, the home sits within a well-connected community, offering a balance of homely living and access to local opportunities.

The home is set across two floors, with ensuite rooms decorated to reflect each person's personality. There are two comfortable lounges, alongside a spacious dining area and shared kitchen where people can come together. Outside, a large sun-filled garden creates the perfect space for socialising, unwinding, or enjoying time outdoors.

At Lutterworth, support is shaped around each individual through our Strive model, building independence, and supporting people to develop everyday living skills.

With a consistent and experienced team, there is a strong focus on positive outcomes, from increased independence to meaningful community connections.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

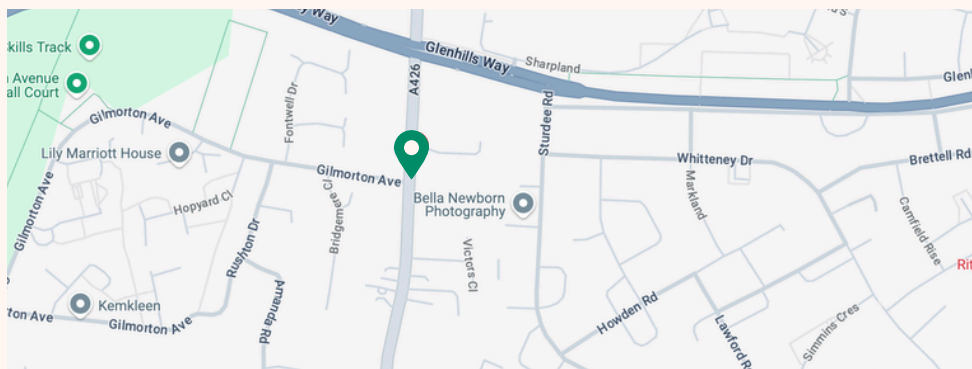

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Lutterworth is ideally located on the outskirts of Leicester, close to local shops, cafés, leisure facilities and green spaces. With easy access to Parklands Leisure Centre, Knighton Park, the Botanical Gardens and Fosse Park shopping centre, there are plenty of opportunities to stay active and connected in the community.
