

Blamsters Bungalow

Residential

Person Specification

We'd love to welcome someone who would benefit from an accessible, calm and sociable home, with support shaped around communication, mobility, health and individual routines. Someone who enjoys a balance of shared activities, time outdoors and quieter moments would be ideal.

Blamsters Bungalow is an accessible, 3 bed care home in Halstead, supporting adults with learning and physical disabilities, epilepsy, complex health and sensory needs, including visual and hearing impairments.

Set within the wider Blamsters community, the bungalow has been thoughtfully designed with OT input for wheelchair users. Inside, there is a bright open-plan kitchen and dining area, shared lounge, laundry room and two bathrooms: one with an adapted bath seat and one wet room. Two of the bedrooms open directly onto the enclosed garden.

Life here is shaped around choice and meaningful routines, supported by a team with Makaton knowledge. Through Strive, our model of support, each person is encouraged to build confidence, pursue goals and enjoy a life of connection and opportunities to flourish together in their own way.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

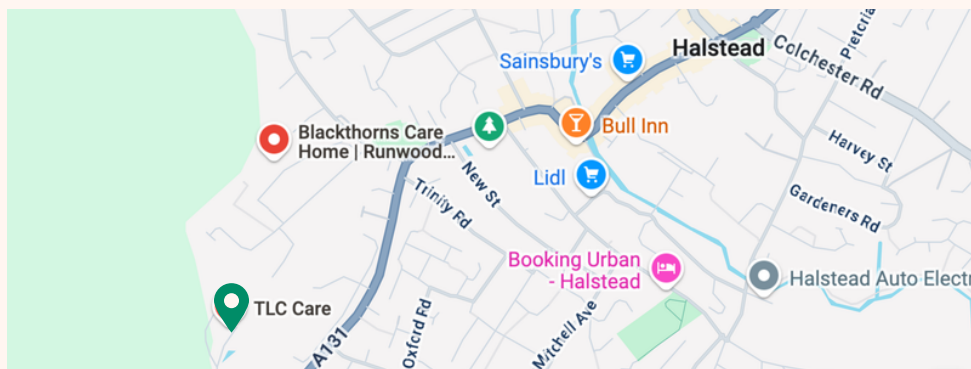

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Bungalow sits within the wider Blamsters Farm community on the edge of Halstead, with fields and woodland close by and the town a short walk away. Halstead offers independent shops, cafés, restaurants and attractive Victorian-style public gardens.
