

Blamsters Coach House

Residential

Blamsters Coach House is a 2-bed residential home for adults with learning disabilities, autism and complex needs. Set within Blamsters Farm in Halstead, it offers a shared site alongside individual living.

The home is arranged across two floors, with one person living upstairs and one downstairs. Each has their own bedroom, bathroom and lounge, creating a flat-style space for privacy, while the kitchen is shared.

Support is shaped through Strive, our model of support. Colleagues work alongside our specialist in-house PBS team and MDTs to understand the whole person, not simply their needs. A trauma-informed approach creates emotional safety, with support that can adapt over time.

At Blamsters Coach House, home means having personal space and opportunities to build a fulfilling life .

Person Specification

We'd love to welcome someone who feels comfortable in a small, two-person home and values having plenty of personal space alongside opportunity to connect.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

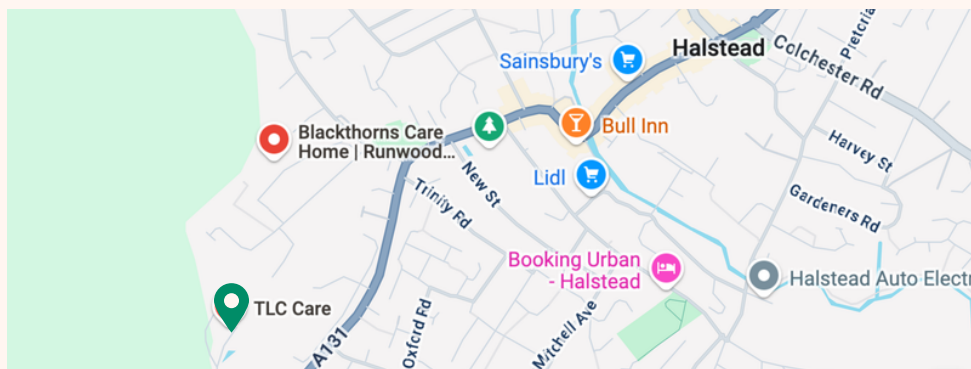

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Coach House is part of the wider Blamsters Farm community on the outskirts of Halstead, offering a peaceful setting with access to the town and its amenities. Halstead has lots of independent shops, places to eat and countryside walks. The town also has public gardens, a theatre and cinema, and a leisure centre with swimming pools, a gym and sports facilities, offering choice for everyday outings.
