

Blamsters Courtyard

Residential

Person Specification

Blamsters Courtyard may suit an adult who would benefit from a home of their own, with consistent, highly personalised support. It could be a good fit for someone who enjoys peaceful time at home alongside trips to parks, the beach and local shops.

Blamsters Courtyard is a single occupancy residential home within the wider Blamsters Farm community in Halstead. Created for one person, it offers a bedroom, bathroom, kitchen and lounge, giving plenty of space to build routines and feel at home.

The home supports adults with severe learning disabilities, pica, mental health needs, communication needs and behaviours of concern, including people who are non-verbal.

Our specialist team offers support shaped by Strive, our unique model of care. Support from our in-house PBS, trauma-informed practice and input from MDTs help us understand each person to create the right environment around them.

At Blamsters Courtyard, consistency, trust and small everyday moments support people to feel settled so they can enjoy a life full of possibility.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

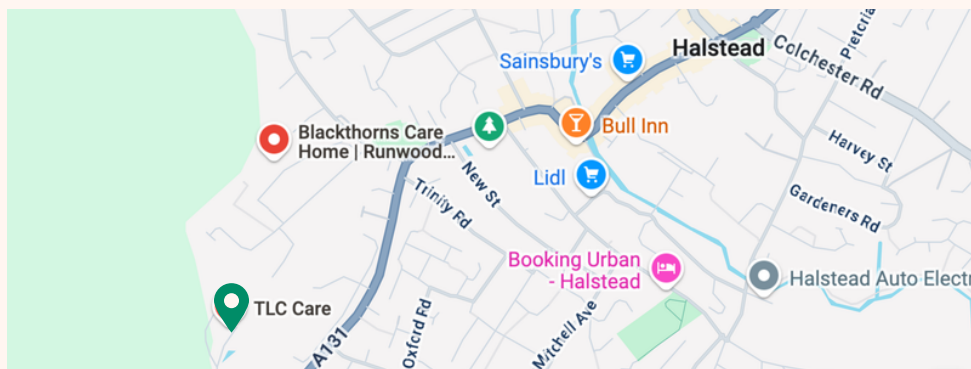

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Courtyard is part of the wider Blamsters Farm involve community, set across one large site on Mount Hill in Halstead. Its location offers the privacy of an individual home alongside the reassurance of an established community, with opportunities to enjoy local parks, shopping and days out further afield.
