

Blamsters Link

Residential

Person Specification

We'd love to welcome someone who enjoys calm surroundings, spending time in the garden and being part of a friendly home. Blamsters Link may suit someone who values familiar routines but also enjoys getting out, exploring new places and joining local events and celebrations.

Blamsters Link is a warm and welcoming five-bedroom residential home for adults with learning disabilities, autism and complex needs. Set along a private country road on the outskirts of Halstead, it offers countryside calm while keeping community life close by.

Three bedrooms are upstairs and two are on the ground floor, with one en-suite bedroom and two additional bathrooms.

Spacious shared areas include a comfortable lounge, dining room and kitchen, where wide views make watching the local wildlife part of everyday life. Outside, the large, secure garden offers room to relax, socialise and enjoy warmer days.

Guided by our Strive model, support is shaped around each person's strengths, choices and goals, helping them feel safe, build confidence and enjoy a meaningful life with the right support around them each day.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

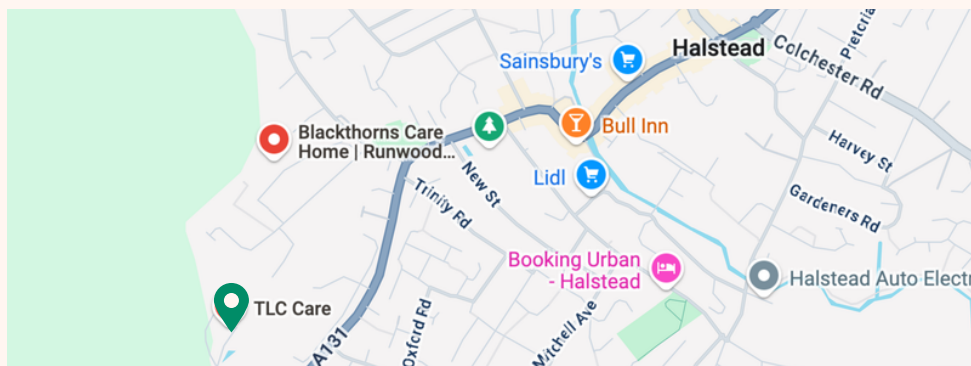

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Link is set in peaceful countryside, close to our Blamsters Farm community of homes, on the outskirts of Halstead, a short journey from the town's shops, supermarkets, cafés, bars and restaurants. People also enjoy picnics at Clare Priory, days at the seaside, local trips and social events with neighbouring involve homes.
