

Blamsters Lodge

Residential

Person Specification

We'd love to welcome an adult who would feel at home in a small, friendly setting, with company, while still having privacy. This would suit someone who enjoys relaxed moments, taking part in activities and being supported to express build confidence and access their local community.

Blamsters Lodge is a 4-bed care home in Halstead, supporting adults with learning disabilities, autism and mental health needs, including those that are non-verbal.

Set across two floors, it offers three downstairs bedrooms alongside shared living spaces where everyday moments can be enjoyed together. There is a welcoming communal lounge and dining area, a shared kitchen and a choice of bathroom facilities, including baths and a shower. Upstairs, there's a self-contained apartment too. Outside, the garden offers space to enjoy the sunshine or spend time on the swing.

Rated CQC Good, the home combines a calm, familiar environment with thoughtful, person-led support. Through Strive, our model of support, we focus on wellbeing and goals, supported by specialist PBS input and a collaborative MDT approach.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

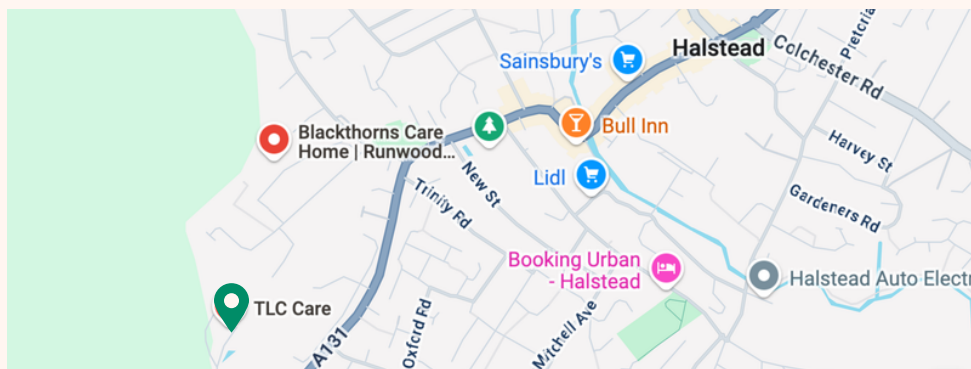

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Lodge is on Mount Hill in Halstead, an attractive Essex market town surrounded by countryside. The town offers independent shops, cafés, restaurants and interesting local walks, while the River Colne runs through its heart. Halstead's welcoming community and nearby green spaces create plenty of opportunities for everyday outings, gentle walks and time spent enjoying the local area.

Blamsters Bungalow, Blamsters Farm, Mount Hill, Halstead, CO9 1LR
