

Blamsters Oak

Residential

Person Specification

We'd love to welcome someone who values calm surroundings and familiar routines, while enjoying a balance of private space and shared moments. Blamsters Oak may particularly suit someone who wants to build confidence and independence with thoughtful, personalised support around them.

Blamsters Oak is a welcoming 6 bed residential home for adults with learning disabilities, autism and complex needs, including epilepsy and diabetes. It's set within the peaceful Blamsters Farm community on the outskirts of Halstead.

Two upstairs bedrooms share a bathroom, while two ground-floor rooms offer individual features: one with a living room and additional upstairs space, and another with a private kitchen and bathroom.

Two further annexes each include a kitchen, lounge and dining area, and bathroom. A shared kitchen, dining room, lounge, games room, activity shed and garden create natural places to spend time together.

Through our Strive model, support is shaped around each person's strengths, routines and goals, helping them feel safe, confident and connected every day.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

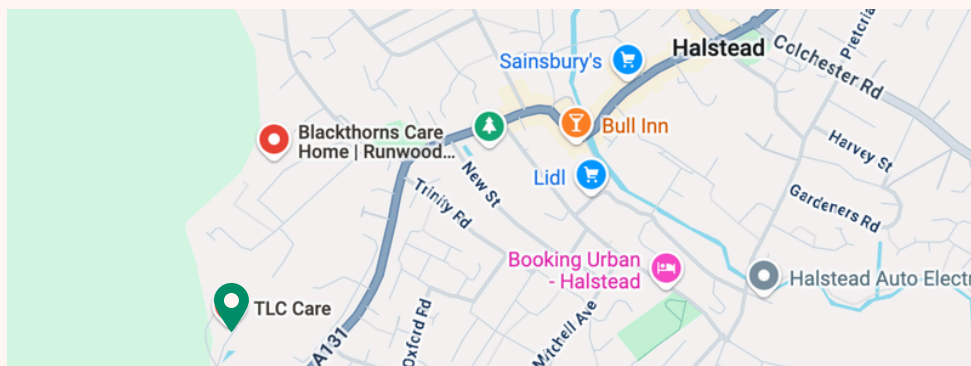

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Blamsters Oak is set within the peaceful Blamsters Farm community on Mount Hill, just outside Halstead. The town's shops, cafés and local amenities are within easy reach, offering plenty of opportunities to enjoy everyday community life while returning home to a quieter countryside setting.

Blamsters Farmhouse, Blamsters Farm, Mount Hill, Halstead, CO9 1LR
