

Moulton Mews

Supported Living

Person Specification

Moulton Mews could be a wonderful fit for an independent person who enjoys their own space, likes going out and would like minimal support to develop their living skills, attend college or move towards employment.

Moulton Mews offers two self-contained bungalows within the grounds of Moulton House in Northampton, for those with learning disabilities, autism and mental health needs.

Each bungalow has an open-plan lounge and compact kitchen, alongside a private bedroom with an en-suite bathroom, creating a comfortable space that feels entirely your own.

It offers the best of both worlds: the freedom to live independently, with opportunities to socialise with people at the neighbouring residential home whenever it feels right.

Through our Strive model of support, we help people build confidence, strengthen living skills and work towards goals that matter to them. This could include cooking, budgeting, travelling independently, attending college or preparing for employment.

It is a calm, encouraging place to take the next step towards greater independence while remaining connected to the local community.

Your journey to involve

Step 1.

Your journey starts with a referral from your care team. We'll then arrange a meeting with you to see if the home is a good match.

Step 2.

If all involved feel the move should take place, you'll be invited to visit the home and the local area to see if you like it.

Step 3.

If everyone is happy for the move to take place, we'll then plan your move into your new home at a pace that's right for you.

Moulton Mews is close to local shops, cafés, a library and sports facilities. Regular buses connect Moulton with Northampton city centre, Kettering and surrounding areas, while the M1 is only a short drive away. Abington Park, Northampton Museum and Art Gallery, and Althorp House are also within easy reach.

16 Chater Street, Moulton, Northamptonshire, NN3 7UD
