Welcome to Gorfield

Gorfield is a welcoming four-bedroom supported living home in Takeley, supporting adults with learning disabilities, autism and mental health needs to build independence and a life shaped around them. ☆

At Gorfield, everyday life has space to feel settled, connected and increasingly independent. The four-bedroom supported living home includes three en-suite bedrooms, a communal bathroom, shared kitchen, cosy living area, study room, laundry facilities and a garden for fresh air and quieter moments.

Colleagues get to know each person's preferences and ambitions, helping everyday routines become opportunities to build skills, confidence and choice.

Our Strive model keeps support purposeful and personal, while our in-house Positive Behaviour Support team work alongside MDTs, bringing specialist insight when needed.

A trauma-informed approach helps us understand each person's experiences and create support built on trust, consistency and respect - giving people the confidence to take the next steps towards greater independence and a life that feels their own.
