

North Lodge

**Supported Living
in Bridgend, Wales**

Welcome to North Lodge

A peaceful countryside home near Bridgend, North Lodge blends private space, shared living and specialist support, helping people build confidence, connection and greater independence.

Set in the countryside near Bridgend, North Lodge is a peaceful supported living home for those with learning disabilities, autism, mental health needs and neurological needs.

The home brings together four individual flats and two separate bedrooms, with shared kitchens, communal lounges and a garden for quieter moments or time together.

Days are shaped around the things that matter most, from hydrotherapy

and college to volunteering, community projects and time outdoors. Support is tailored around each person's routines, communication and aspirations, helping confidence grow at a comfortable pace.

Our Strive model brings this together, focusing on active support, guided by our specialist in-house PBS team, MDTs and a trauma-informed approach. By working closely with families and professionals, the team creates consistent, thoughtful support that helps people feel understood and in control of their lives.

This is ideal for...

- Someone seeking a calm setting with structured, consistent support.
- A person with autism who benefits from routine and predictability.
- Someone building everyday independence with support close by.
- A person comfortable balancing with shared communal living
- Someone with mental health or neurological needs requiring specialist clinical input.

Space to live your way

Four individual flats and two separate bedrooms offer **flexible ways to enjoy privacy**, shared living and growing independence at a pace that feels right.

Supporting people to flourish in a place they call home

At involve, we do more than meet people's needs - we help them thrive. That's why we created Strive: our unique model of care, designed to support active, fulfilling lives.

Strive is how we turn good care into great lives. It's the involve way - proactive, positive and co-produced. But what does that look like? It's different for everyone - but it's always rooted in confidence, relationships and community.

Strive Foundations:

Active Support

Health & Wellbeing

Total Communication
