

The Conifers

**Supported Living
in Pontypool**

Welcome to The Conifers

The Conifers is a 4 bed supported living home in the hills of Pontypool, offering person-led support for younger adults with learning disabilities, autism and complex needs to build confidence and independence.

Set in Talywain, The Conifers is a sociable bungalow where shared living is balanced with personal space. The home has four bedrooms, including one ensuite, alongside a communal bathroom with a bath and shower.

A kitchen-dining area and lounge create natural places to eat, relax and spend time together, while the accessible garden offers space to unwind.

Ramp access leads into the main home,

with most shared spaces arranged on one level apart from one bedroom that's reached by steps.

An established support team provides consistent, person-led support shaped around each person. Our Strive model helps people work towards meaningful outcomes, supported by our in-house PBS team, MDTs and trauma-informed practice. These approaches help us create a home to build confidence and independence at a pace that feels right.

This is ideal for...

- A younger adult with autism, learning disabilities or complex support needs.
- Someone who benefits from consistent routines.
- A person ready to build independence with housemates
- Someone comfortable sharing communal spaces.
- A person with mobility needs compatible with the home's layout.

Accessible living

Ramp access, large corridors and an **accessible** garden make this a home perfect for those with **mobility needs**.

Supporting people to flourish in a place they call home

At involve, we do more than meet people's needs - we help them thrive. That's why we created Strive: our unique model of care, designed to support active, fulfilling lives.

Strive is how we turn good care into great lives. It's the involve way - proactive, positive and co-produced. But what does that look like? It's different for everyone - but it's always rooted in confidence, relationships and community.
