Residential Care

Home in Stoke on Trent

Welcome to Blythe Bridge

A warm, lively eight-bedroom home in Blythe Bridge, where personalised support, shared experiences and everyday choice help people feel secure, connected and part of home life.

Blythe Bridge supports 8 adults with learning disabilities, autism, mental health needs, cerebral palsy, epilepsy and other complex needs.

The home has eight spacious bedrooms: four with toilet ensuites and four with full ensuite showers, alongside two communal bathrooms.

Shared spaces include a welcoming lounge, dining room, kitchen and sensory room, with an additional communal space being created for people to enjoy together.

Two gardens bring everyday life outdoors, with room for barbecues, games, fresh air and quieter moments.

Colleagues shape support around people's strengths, routines and goals. Through Strive, our model of support, trauma-informed practice and specialist input from our in-house Positive Behaviour Support team, we focus on building confidence, reducing restrictions and creating more opportunities for choice, connection, independence and the things each person enjoys.
