

Hazel Road

**Supported Living
Home in Loughborough**

Welcome to Hazel Road

Hazel Road is a welcoming four-bedroom supported living home in Loughborough, with a self-contained annex and support shaped around confidence, connection and growing independence. ★

Based in Loughborough, Hazel Road combines the comfort of a small shared home with space to take meaningful steps towards independence.

The main bungalow offers four ensuite bedrooms, alongside a communal lounge and kitchen, and a bright conservatory opening onto the garden.

A self-contained annex provides additional privacy, while keeping familiar support close by.

Our team builds support around people's goals and routines through Strive, our model of support. Everyday life might include learning new skills, attending college, volunteering or feeling more confident at home and in the community.

Colleagues can also draw on our in-house PBS specialists and trauma-informed approaches, creating capable environments where people are able to enjoy life at a pace that's right for them.

This is ideal for...

- Someone with learning disabilities, autism or mental health needs.
- A young adult ready to learn life skills and build their independence
- Someone who enjoys shared living, companionship and connection.
- A person needs structure and routines, who'd like housemates
- Someone who may benefit from a smaller more independent setting.
