# Welcome to Wigston

Wigston is a warm, lively residential home supporting adults with complex needs through skilled, consistent care and plenty of opportunities for connection, confidence and everyday progress.

Wigston has 8 spacious en-suite bedrooms, offering privacy alongside welcoming shared spaces.

A comfortable lounge, kitchen and dining room create a homely environment, while a sensory room and garden offer places to regulate and enjoy meaningful activities.

Support is available around the clock, with people receiving 1:1 or 2:1 care in line with needs. The skilled team works closely

with our in-house PBS team and external clinical specialists, bringing consistency and expertise to complex support.

Guided by our Strive model of support and trauma-informed practice, we build support around each person's strengths, routines and goals.

Days are shaped around what matters to each person, from activities and shared celebrations to quieter moments alone.
