**Supported Living
Home in Suffolk**

Welcome to Sudbury

Nestled in the heart of a welcoming Suffolk community, Sudbury offers spacious supported living bungalows where friendships flourish, independence grows and every day brings new possibilities.

Tucked along a peaceful private street, Sudbury offers 3 modern, spacious bungalows and a single occupancy annexe where up to 7 people can enjoy the comforts of home while building friendships and embracing independence.

Each shared bungalow accommodates two people, with generous bedrooms, a welcoming lounge, shared bathroom and kitchen/diner opening onto a patio and landscaped garden. Selected bedrooms also benefit from an ensuite.

Life is shaped around each person,

building everyday routines, exploring the community, learning new skills and enjoying activities that make them happy.

Our dedicated colleagues celebrate achievements, big and small, creating a place where people feel understood and valued in a home they can flourish.

Support is delivered in line with our Strive model of support, guided by in-house PBS expertise and trauma-informed approaches, tailoring support to individual needs, helping people build confidence, make choices and live life their way.

This is ideal for...

- An individual with a learning or physical disability, autism or those with complex support needs.
- Someone who enjoys companionship and is comfortable sharing spaces.
- A person who needs consistent routines and personalised support.
- Someone with mobility or sensory needs requiring practical support
- An individual that wants to build independence in the community.
