What arrangements were made for consulting people who use the service about the operation of the service during the last financial year?. If available, this field has been pre-filled with last year's Annual Return data. Please review the information and make any necessary changes.	The Managers of TCG hold service user meetings to find the views of the people we support. Where the person has an advocate, their views will be sought. Where the person lacks the capacity to tell us their views we will seek the advice of their family to find what the service user would have felt/thought. The Named Nurses will seek their views about their satisfaction with care in monthly support plan reviews. Views of their external MDT including best interests assessors in the DoLS process will also be sought regarding the persons satisfaction with their care. Care staff will on an ad-hoc basis work to find their satisfaction with the service we provide through daily interactions/activities/excursions. The RI visits TCG regularly on an informal basis, and will talk with people in TCG about their satisfaction with the care/support they receive. Where the person lacks the capacity to do so, they seek other sources for this information.
