Mansfield

Residential Care Home in Nottingham

Welcome to Mansfield

In Berry Hill, Mansfield is a welcoming 5 bed residential home where adults with learning disabilities, autism and mental health needs can feel connected and flourish.

Set across two floors, Mansfield has five single bedrooms, four with ensuites. A comfortable lounge , communal kichen and generous dining room make space for relaxed afternoons, shared meals and conversations that make a house a home.

Front and rear gardens offer somewhere to enjoy fresh air or a quieter moment. There's also a house minibus so you can get out and about to do things you love.

Our established colleagues have built trusting relationships with the people we support and their families. They listen, learn what matters and shape each day around individual wishes, routines and goals - whatever they look like.

Through Strive, our model of support, we encourage confidence, connection and the everyday skills that make life fulfilling.

Our specialist in-house Positive Behaviour Support (PBS) team, and trauma-informed practice help us provide thoughtful, consistent support that adapts as people's needs change.

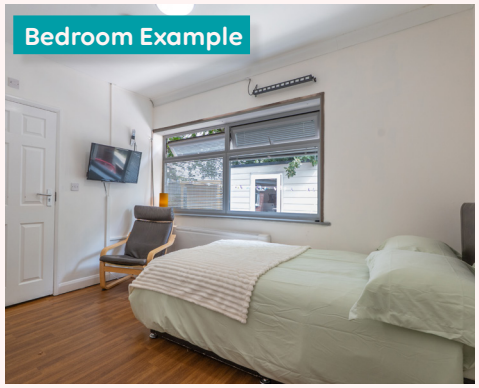

This is ideal for...

- Someone with learning disabilities, autism or complex support needs.
- A person comfortable sharing communal spaces in a small home.
- Someone who likes familiar routines and building new friendships.
- An individual who enjoys community outings and activities with others.
- A person who wants to live with others but also likes their own space.
